About Wingate

Founded in 2004, Wingate is a leading alternatives investment manager focused on property debt, mid-market corporate debt and direct property investment. Our platform comprises over 200 investment and fiduciary professionals dedicated to the Australian market. Wingate's success is built upon our belief in and adherence to The Wingate Way. We are driven by long term, trusted relationships. We feel a deep sense of responsibility to our co-investors and partners.

Wingate Cash Management Trust

The Wingate Cash Management Trust (Wingate CMT) is an 'at call' cash investment solution with the cash held by Wingate¹ with Australia and New Zealand Banking Group Limited (ANZ Bank). The Wingate CMT offers a competitive market rate along with the peace of mind associated with the security of the cash being held with a highly rated bank.

The Wingate CMT provides co-investors with a safe vehicle to place funds at an enhanced cash yield, being held by Wingate in an 'at call' bank account. Each Wingate CMT account is managed by the Wingate Funds Management team, with all cash held in a trust account by Wingate with the ANZ Bank.

Wingate CMT Overview

- Highly competitive interest rates.
- Security of a highly rated bank.
- The convenience of an 'at call' bank account.
- Efficient settlement and processing of transactions.
- No account keeping or transaction fees.
- Managed by the Wingate funds management team.

1. Wingate Group Holdings Pty Ltd and/or its wholly owned subsidiaries

Key Risks

Before making an investment decision co-investors should carefully consider the information set out in this fact sheet and in the Wingate Cash Management Trust – Terms and Conditions ([View Here](#))

Co-investors should consider whether an investment in the Wingate CMT constitutes a suitable investment in light of their personal circumstances. As always, Wingate recommends that co-investors consult a professional adviser. All investments involve risk. There cannot be any assurance that the Wingate CMT objectives will be achieved.

There are a number of risk factors that may affect the account:

OPERATIONAL RISK

Adverse impacts may arise through human error, technology or infrastructure changes, or through external events such as third-party failures, criminal acts or crisis events. Wingate has procedures in place to manage these risks, and, as much as possible, monitor the controls within these procedures to ensure operational risks are adequately managed.

PERFORMANCE RISK

Performance of the Wingate CMT, like any interest-earning bank account, is dependent on the financial institution providing the account (ANZ Bank) being able to meet its stated interest obligation.

UNAUTHORISED WITHDRAWALS

There is a risk that someone may be able to make unauthorised withdrawals from your Wingate CMT account. Wingate has procedures in place to manage and identify risks and, as much as possible, monitor the controls within these procedures to ensure operational risks are adequately managed.

FEDERAL GOVERNMENT FINANCIAL CLAIMS SCHEME

Accounts held by co-investors may be covered by the Australian Federal Government's bank deposit guarantee (also commonly referred to as the Financial Claims Scheme) in the event of the insolvency of ANZ Bank. Deposits of up to \$250,000 per legal entity may be covered. For further information please refer to the [Financial Claims Scheme](#).
